

H1N1 FLU PRECAUTIONARY ALERT

To All Patients and Visitors:

In the interest of patient safety and to prevent the spread of **H1N1 influenza virus**, we encourage all persons entering the facility to clean their hands with the sanitizing wipes or liquid sanitizer that is provided.

If you have the following symptoms:

- **Fever**
- **Cough/Congestion**
- **Body Aches**
- **Chills**

You will **not be allowed** to enter the facility.

The visitor policy may be modified only under special circumstances. Please talk with the staff at the information desk.

Thank you for your Cooperation, Pete Delgado, Hospital CEO
